### **Preliminary Amendment**

Honorable Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Sir:

Preliminary to first official action in the above application, please amend the application as follows:

#### **In the Specifications:**

Please replace pages 7 and 12 as filed with the enclosed corrected sheets.

### **Remarks**

This preliminary amendment is in response to notice of omitted items mailed to applicant March 26, 2002.

Applicant regrets that an inadvertent error fell in the specifications as filed. As the office noted, Figures 8d and 9d were not submitted to the office. As the text was in error, applicant omitted references to those drawings in the specifications.

Applicant files herewith two amended pages in clean copy, and two pages marked up copies, delineating the correction made to the specifications
